72nd Republic Day of India

Dear NRIs, PIOs & Friends of India in Tanzania,

The High Commission wishes to inform the Non-Resident Indians, Persons of Indian Origin as well as Friends & well wishers of India in Tanzania that, due to unforeseen and unavoidable circumstances, it has been decided to keep the Flag hoisting ceremony and the celebration of India's 72nd Republic Day on Tuesday, 26th January 2021 a low-key and largely an in-house affair much the same way as that of the 74th Independence Day of India on 15th August 2020.

There will not be any open public participation in the celebrations this time too. The traditional National Day Reception hosted by the High Commissioner and his Spouse on the evening of 26th January also stands cancelled.

The High Commission of India sincerely regrets the disappointment this may have caused to you all.

The text of President of India "Address to the Nation" on the eve of the Republic Day to be delivered by him at 8 PM (IST) on 25th January 2021 will be uploaded on this Facebook Page.

The High Commission of India wishes one and all a very happy Republic Day. A few more posts on this Forum on the 72nd Republic Day celebrations in New Delhi will follow.
