

AIPMA Virtual Global Exhibition 'PLASTIWORLD 2021' from 19-23 January 2021

The All India Plastics Manufacturers Association (AIPMA) will be organizing 'PLASTIWORLD 2021' - The Virtual Global Plastics Packaging Expo & B2B Meet from 19-23 January 2021. AIPMA is the largest & oldest (75-year-old) industry association in India representing more than 20,000 industry members and diligently works with various stakeholders for betterment and growth of plastics industry in the country.

This event will be connecting Plastic buyers from major importing countries with plastics manufacturing companies in India. This would also help industries in plastics sector to interact with key decision makers to build customer relationships towards potential market penetration.

Interested buyers/importers in Tanzania dealing in plastics may take advantage of this opportunity and participate in the virtual exhibition from the comforts of their own offices/homes.

Details of the virtual event could be accessed at www.plastiworld.org. The brochure and other related details are attached. Buyer/Business visitor registration is free at the link <http://plastiworld.org/visitor-registration.php>.

In case of any further queries, please feel free to contact on [dg@aipma.net; |or call on +91 22 6777 8899.
