Reports and Analysis of participant turnout and engagement

The event will provide opportunity to meet top leading Indian Agrochemical Companies as they will be exhibiting in the event, there are 50 booths exclusively for agri inputs (agrochemicals, fertilizers, Biological pesticides and ancillary units) wherein visiting delegates can explore opportunity to discuss businesses with the Indian companies for joint ventures, Joint R&D, Contract Manufacturing, to expand distribution network for agrochemical products for better market reach, product procurement & plan procurement from Indian companies the second largest country in Asia for manufacturing of agrochemicals. This event will give an opportunity to meet them all under one roof. For More Details visit the link <http://www.pmfaiindia.org> or www.pmfaiicsce.org.

A conference is organized on sideline of the exhibition for two days which will brief about research & development, registration procedure and market analysis in the event, related topics to agri inputs.

Interested importers/dealers in agro-chemicals and agri-inputs in Tanzania may like to take advantage of this opportunity and participate in the virtual 3D exhibition from the comforts of their own offices/homes.
