

CII India-Africa Agriculture & Food Processing Summit 2021
“Promoting Sustainable Partnerships”
14 -15 September 2021; CII Digital platform

Confederation of Indian Industry (CII) in partnership with key stakeholders is organising the first edition of **CII India Africa Agriculture & Food Processing Summit 2021** “Promoting Sustainable Partnerships” from **14 -15 September 2021 on virtual platform**. The Summit will aim to strengthen India-Africa cooperation in the agri-business sector and how this collaboration can address the rising global demand of food security and nutrition. Programme outline is attached.

The High Commission of India requests the Tanzanian stakeholders to register and participate at this Summit from the comfort of their homes/offices.
