Duty Free Tariff Preference Scheme (DFTP) of Government of India

India announced the DFTP Scheme for Least Developed Countries (LDCs) in the year 2008. In order to expand trade with Africa, India amended its Duty Free Tariff Preference (DFTP) scheme to cover around 96 per cent of the tariff lines in April 2014. Only 1.8% tariff lines are under the exclusion list. Duty Free and Positive Lists cover about 98.2% of global exports of LDCs. Tanzania was the first LDC in Africa to convey its intention to join DFTP in June 2008. All formalities for the Scheme were completed and notified in 2009.
