

**Invitation to attend the First Virtual World Solar Technology Summit  
on 8<sup>th</sup> September 2020**

The International Solar Alliance Secretariat (ISA) will host, virtually, the First World Solar Technology Summit on Tuesday, the 8<sup>th</sup> September 2020 from 1630-2130 hrs (1400-1930 hrs EAT).

**The Summit will begin at 1630 hrs (1400 hrs EAT) with the Plenary Session to be addressed by Hon'ble Prime Minister of India.**

The Summit's objectives are to bring together, key stakeholders and innovators from the governmental and private sectors to discuss recent developments in the field of solar energy and to showcase the state-of-the-art solar technologies, that can help countries leapfrog to a decarbonized grid, at a reasonable and affordable cost.

The Concept Note and Preliminary Agenda of the Summit are attached

For any further information and assistance required, please contact Mr. Naresh Mehta, Chief of Protocol, ISA at: [naresh.mehta@isolaralliance.org](mailto:naresh.mehta@isolaralliance.org); Tele: +91 81305 55556.
