

**TPCI's India-Africa Virtual Trade Fair on Dyes, Chemical & Ceramics
on 21-23 June 2021**

With the support of the Department of Commerce, Government of India, **Trade Promotion Council of India (TPCI)**, an apex trade & investment organization will be organizing a **Virtual Trade Fair** titled “**India–Africa Dyes, Chemical & Ceramics**” on 21-23 June 2021.

The objective of the Trade Fair is to facilitate Indian Dyes, Chemical & Ceramics industries to explore new markets and discuss future business opportunities with potential Importers, Buyers and Trade Visitors from Tanzania.

During this Virtual Trade Fair 50+ reputed Indian companies will showcase virtually a wide range of Indian products to the Buyers/Importers/Trade Visitors from Africa and help them to establish business relations to strengthen the India-Africa trade relation. TPCI is willing to conduct B2B Meetings, if required, upon receipt of interest from Buyers from the region.

Kindly visit the Web Link <https://www.exhibit24x7.com/virtualexpo/india-africa-dyes-chemical-ceramic-virtual-fair> for registration and more information.

For any further enquiries, Mr. Suresh Kumar Makhijani, Joint Director General, TPCI may be contacted by sending an email at internationaldivision@tpci.in.

The High Commission of India requests the Tanzanian stakeholders dealing in chemical and ceramics sectors to participate at this Virtual Trade Fair from the comfort of their homes/offices.
