UMANG App

The National e-Governance Division (NeGD) of Ministry of Electronics & Information Technology (MeitY), Government of India has developed "UMANG App" having services rendered by more than 200 Central Deparments/Ministries and 28 States India. Some of these services are relevant for Non-Resident Indians (NRIs) as well as foreigners interested in India.

NRIs can now avail major Government Services and Foreigners (Tourists and others interested in knowing India more intensely) can explore and know more about India by downloading 'UMANG India' App from Google Play Store (Android) or Apple Store (iOS) from the following links:-
