Virtual ICC Electrical & Power Equipment Fair from 18th January - 20th January 2021

Indian Chamber of Commerce (ICC) in association with Ministry of Commerce, Government of India will be organising a Virtual Exhibition titled "ICC Electrical & Power Equipment Fair" from 18th January - 20th January 2021 where Indian Power and Electrical Equipment manufacturers would be showcasing their products and services to the buyers of Tanzania and it is expected participation of more than 45 Indian exporters and companies in this virtual expo.

Interested companies dealing in electrical and power equipment may participate at this virtual exhibition from the comforts of their home/office.

This expo is complimentary for all participants. Interested participants may contact
Mr Sunil Singh (M:+91 9910795900; Email:sunil.singh@indianchamber.net) for registration at the event. A brochure on this Expo is attached.
